

## Slimpanel

### LinkIT 4U slim panel for 48xMPO cassettes

Up to 576 fibers Delivered without cassettes

Product number: SP48M4

## Product Description

LinkIT 4U slim panel for 48xMPO cassettes for up to 576 fibers. Delivered without cassettes so this must be purchased separately. High-density patch panels are an effective way to increase the copper port density in racks and rack cabinets. While standard patch panels offer 24 ports in a rack unit, high-density panels can double that amount by 48 ports per rack unit.
